Help the Pacific Northwest Budo Association foster appreciation for martial and traditional cultural arts in our community.

Whether you are a martial artist or traditional cultural arts student, represent a dojo, school, or cultural organization, or simply appreciate the unique benefits that Asia's traditional cultures offer our society, join the PNBA and help us introduce these wonderful arts to others.

People can't practice what they don't know about.

You're too busy to do everything you want: but a small donation or membership is a great way to leverage your interest in Asian cultural arts! By supporting the PNBA, you join forces with a dedicated, hard-working non-profit organization that does lots of heavy-lifting by demonstrating and celebrating the arts, giving back to the community, and promoting a diverse array of cultural organizations and projects across the United States, Canada, and Japan.

Your tax-deductible donation or membership benefits everyone!

Since its founding in 2003, the PNBA membership dues and donations have been used to provide \$50,000 in direct aid and thousands of volunteer hours in support of artists and organizations practicing and promoting martial arts & traditional culture. We're always on the look-out for like-minded individuals, schools, and organizations who would like to support the PNBA mission. Participation is fun and rewarding, and membership costs very little.
